# MEET

*The crew*

## MICHAEL - THE SKIPPER

The Beneteau First 53 *On y Va* is expertly maintained for year-round by our captain, Michael. Fluent in both German and English, Michael is a professional sailing instructor and trainer responsible for the safety and enjoyment of his guests.

Whether you're looking for a relaxing sailing vacation or a hands-on sailing experience, he will guide you expertly as you take the helm of this magnificent boat.

With its ultra-modern and technically advanced features, such as a boom furling system for carbon racing sails and electric winches, the *On y Va* can even be sailed single-handedly.

Michael's 15+ years of sailing experience in the Aegean makes him deeply familiar with the region's sea and weather conditions. His local knowledge ensures not only a safe and stress-free journey but also a chance to discover the most stunning bays, islands, and tavernas the Aegean has to offer.

## BIRGIT - THE HOSTESS

Birgit is the heart and soul of *On y Va*, a passionate sailor with her own sailing license. She delights guests with delicious meals, perfectly crafted drinks, and her uncanny ability to find anything you need, even on the smallest islands.

She also assists the captain during various sailing maneuvers, ensuring smooth operations on board.

With her deep knowledge of Greek mythology, Birgit adds a touch of storytelling magic to your trip, turning your sailing holiday into a truly memorable experience.
